State Finals Preview: Prairie View Hosts Boys Golf Championships

A new golf course will be the setting as Indiana's top high school boys golfers will settle this year's team and individual state champions this week.

The 79th Annual IHSAA Boys Golf State Finals will be played at Prairie View Golf Club in Carmel for the first time, the seventh different course to host the event. The finals had been played at The Legends Golf Club in Franklin the previous 14 years.

All competitors will play 36 holes over the two-day event. A total of 15 teams have advanced five golfers each and 25 individuals have moved on without their squads for a total of 100 participants. Groups will be teeing off the 1st and 10th tees at 8 am ET / 7 am CT on Tuesday. The first round tee times and pairings are available [here](#).

New state champions are assured for both team and individual honors as Columbus North did not qualify this season and last year's co-medalists and teammates Christian Fairbanks and Michael VanDeventer both graduated.

Seven of the top 10 teams in the final poll from the Indiana High School Golf Coaches Association have found their way including top-ranked Center Grove.

The Trojans are one of seven returning teams from last year's field after winning the Providence regional at Champions Pointe on Thursday. Their 290 that day tied with Floyd Central for the best score so far this state tournament. CG's Chris Heck is one of two returnees that finished in last year's top 10 tying for 10th place. The other is Corydon Central's Mitchell Frederick of Corydon Central who tied for fifth place.

Four of those seven returning teams also won regional championships including Center Grove, Fort Wayne Bishop Dwenger, Hamilton Southeastern and Westfield. For Dwenger, it was the school's first regional crown.

Dwenger and Westfield each will be making their fourth consecutive appearance in the state finals while Hamilton Southeastern will be playing in its third straight. Oak Hill advanced to the state finals for the first time in school history courtesy of its third place finish at the Muncie Central regional held at The Players Club.

Castle, which took the Washington regional crown at Country Oaks, qualified for its first state finals in eight years and ended a 31-year regional championship drought for the Knights.

About the Indiana High School Athletic Association, Inc. (IHSAA)

The IHSAA is a voluntary, not-for-profit organization that is self-supporting without the use of tax monies. Since its founding in 1903, the Association's mission has been to provide wholesome, educational athletics for the secondary schools of Indiana. Its member high schools - public, institutional, parochial and private – pay no annual membership fee or incur entry fees to play in the Association's tournaments. A state tournament series is conducted annually in 21 sports, 10 for girls, 10 for boys and one co-ed (unified track and field). A 19-person board of directors, elected by member school principals, governs the organization.
